

# Virgin Town

I would like to make comment  
abt the Accident + the Kolob  
Road. Before the making of the  
New Kolob Road. I was told how  
Dangerous the old one was. And  
that the New one would be  
Better + safer! to my knowledge  
there has never been a Death on  
the old Kolob Road in its history  
from an Accident. How old is the  
New Kolob Road? + Now there has  
been 2 Deaths on it. + Now some  
want to change it more because its  
Not Safe?

Just my thoughts
